Yatırım Finansman Menkul Değerler (YF Securities) research refrains from rating parent companies (TSKB and İsbank) to avoid any potential conflicts of interest between YF Securities and rated companies, in connection with, but not limited to, loan agreements or business deals.

YF Securities, its clients and employees may hold a position in the rated securities and may perform investment banking or other services for the covered companies. Strict limitations on trading apply for analysts; it is prohibited for analysts to trade equities on a daily basis, and any trading of equities by analysts, may only be conducted through the brokerage services provided by YF Securities.

Companies under the coverage of YF Securities are rated on the basis of their expected performance relative to the BIST index. The following ratings are used to accurately reflect analysts' research and opinions regarding their coverage:

**OutPerform:** Rated for stocks which YF Securities expects to outperform the BIST-100 index over a 12-month horizon.

**MarketPerform:** Rated for stocks, which YF Securities expects to perform in line with the expected BIST-100 return over a 12-month horizon.

**UnderPerform:** Rated for stocks, which YF Securities expects to underperform the BIST-100 index over a 12-month horizon.
